

CONFIDENTIAL

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 7 November 1967

25X1 1. [ ] Called on Frank McNamara, Director, House Committee on Un-American Activities, and in the course of the conversation mentioned to him S. 1035. He was surprised to learn that the bill could be interpreted to prohibit taking notice of a Government employee's participation in subversive activities and made a note to obtain a copy of the bill and look into it.

25X1 2. [ ] Talked to Representative Peter Rodino (D., N.J.) concerning his bill on behalf of the employees of Radio Liberty and Radio Free Europe. Rodino said he would talk to Senator Williams concerning the bill and also to Senator Eastland, but he asked us also to talk to Senator Eastland at the earliest opportunity in order that Eastland would be fully aware of our interest in the bill.

25X1 3. [ ] I talked to Mr. Bun Bray, Associate Staff Director, House Post Office and Civil Service Manpower Subcommittee, who advised that Representative Henderson's schedule is quite tight for Wednesday. It was suggested that the visit to the Headquarters be carried over to Tuesday, 14 November. Mr. Bray will talk further with Mr. Henderson and call me. Mr. Bray noted in conversation that it might be desired that Representative H.R. Gross also attend. It was agreed by all means, if the Chairman desired that Mr. Gross accompany him we would be most pleased.

25X1 4. [ ] Senator Henry M. Jackson sent word through Glenn Smith, Senate Preparedness Investigating Subcommittee staff, that he wished to be sure the Director covered in his briefing tomorrow an appraisal of equipment shown in the Moscow parade. I assured him this was already being worked on.
